What You Can Do!

1. Complete and sign the FairTax petition.
This can be found at either www.OKFairTax.org or www.FairTax.org

2. Rep. Tom Cole - 4th District Congressman
Currently Mr. Cole does not support the FairTax by co-sponsoring it.

Call and fax Tom Cole's offices, ask to speak to the legislative assistant who handles tax policy, and request that the Congressman co-sponsor HR 25.

You can also contact him via his website www.house.gov/cole

3. Please take the time to thank our co-sponsors for their support and ask them to continue to encourage other Members of Congress to co-sponsor.
We need them to "SELL" FairTax as Mike Huckabee has and is doing.
4. Copy this list and give it to others! The power of grassroots can make it happen.
Our representatives in Congress need you to give them the courage to make this bold change.

Please please tell your friends, family and co-workers about the FairTax.

As fantastic a system as it is you'd be surprised how many people have never heard of it or have not heard the truth about it.

As a supporter of the FairTax it is up to 'we the people' to spread the word and get people fired up about their taxes.

As fellow supporters we thank you ☺
